Amendment: Councillor Ken Brinston/Councillor Albert Murphy

Be it resolved Council give an approval in principal subject to recommendation for approval by Town Lawyer and subject to Environmental Assessments.

Amendment carried unanimously.

Motion carried unanimously.

1. Maratie's Lane – Town Engineer Adam Mccarthy recommended the Town put a section of pipe in and tie it into the manhole. The area might need to be ditched as well. It was suggested the shoulder be done to prevent further erosion. The Contractor would need to be notified that they are to stay within the Town's reservation of 20 ft.
2. Need's Convenience – A resolution to this problem is yet to be determined.
3. Grading and shouldering:
 - * Grading - Public works will finalize the list and tenders can be called.
 - * Shouldering – Public works will compile a list.
4. Guard Rail by Jim Pittman's property – Councillors Murphy and Brinston will do a site visit and will touch base with Mr. Ken Dillon of the Department of Works and Transportation.
5. Development on John C's Grove Road – Applicant requested to meet with Council and Council will set a date to meet.

2015-178 Councillor Rene Estrada/Councillor Ken Brinston

Be it resolved council adjourn the private Planning Meeting at 10:20.
